Copyright Office notes: Regarding title information: Deposit contains complete list of titles that correspond to the individual photographs included in this group.

Regarding group registration: A group of published photographs may be registered on one application with one filing fee only under limited circumstances. ALL of the following are required: 1. All photographs (a) were created by the same author AND (b) are owned by the same copyright claimant AND (c) were published in the same calendar year AND 2. The group contains 750 photographs or less AND 3. A sequentially numbered list of photographs containing the title, file name and month of publication for each photograph

included in the group must be uploaded along with other required application materials. The list must be submitted in an approved document format such as .XLS or .PDF. The file name for the numbered list must contain the title of the group and the Case Number assigned to the application.
